If diligence was just pointless and boring, that would be one thing. But the fact that you need to be on call 24/7 for bullshit makes it intolerable. You are always working on the schedule of the most psychotic person involved in the deal.

That was my thinking as well

4/6/22 8:48:32 PM EDT

Yeah, the more I think about it, the more of an opportunity it seems to be for us

4/6/22 8:49:17 PM EDT

We could just take over this shit

4/6/22 8:49:30 PM EDT

And you'll be the natural lead on it when Julie dies

4/6/22 8:49:41 PM EDT

And then we could bring Eg on too

Nick and I had a combustible conversation today

2/8/21 8:30:18 PM EST

He's a dick

2/8/21 8:30:27 PM EST

What happened

2/8/21 8:30:44 PM EST

But I think he's worried if I sue them, he'll be called to testify

2/8/21 8:31:04 PM EST

Why are you suing them

2/8/21 8:31:10 PM EST

Well, he's all about being "by the book"

2/8/21 8:31:31 PM EST

But I was like, when was my performance review

2/8/21 8:31:51 PM EST

He basically said "Covid" made it difficult

2/8/21 8:32:13 PM EST

To which I was like, well, we only had it after I asked you about it

But that's in the back of his mind always

2/8/21 8:33:29 PM EST

How could he get pinned with something

2/8/21 8:34:42 PM EST

So when he was being a dick, and I pointed out instances that don't quite jive with his perception of himself, he got flustered

2/8/21 8:35:19 PM EST

And adopted Nick supervisor tone

2/8/21 8:35:31 PM EST

Anyway, who cares

2/8/21 8:35:38 PM EST

If I get fired, I'm suing them

2/8/21 8:35:51 PM EST

Oh boy
